Paragraph 12

Replace the first sentence by the following:

12. With regard to the Committee's programme of action mentioned in paragraph 2 of General Assembly resolution 31/88, the Chairman recalled the proposals which he had made the previous day during the closed meeting, namely, that he should send a letter to the members of the Committee and to the other littoral and hinterland States of the Indian Ocean, as well as to the major maritime users of the Indian Ocean, who had accepted the Committee's invitation to co-operate with it in its work, asking for their views and suggestions regarding the formulation of a programme of action, in the hope that their replies would be received in time for the Committee's next session in September, so that they could be included in the Committee's report.
